Wine lovers should mark August 13 on the calendar, reserve tickets online and head to Bremerton's Harborside Waterfront Park for an afternoon of wine tasting and nibbles. This premier Northwest charity wine event is a great way to sample some of your favorite wines and discover some new ones.

More than 20 wineries will be pouring premium wines. You'll sip wines while strolling among the park's fountains and pools, with Sinclair Inlet and U.S. Navy ships as a dramatic backdrop. And you'll savor delicious bites from 10 local eateries.

It's easy to walk on the ferry from Seattle and get to the festival. Harborside Waterfront Park is located downtown, between the Washington State Ferry Terminal and the Bremerton Naval Shipyard. Tickets are \$55 (\$65 at the gate), and proceeds benefit the Harrison Medical Center Foundation. Reserve tickets at <http://www.kitsapwinefestival.com>.
