Perhaps you just got engaged and are eager to put a wedding band on it, or maybe you've been dragging your feet on locking down a space. Lucky you, we're streamlining the summertime venue search with an exhaustive list of **over 90 Seattle-area ceremony spaces, reception locales, and unique wedding-day finds with openings on Saturdays from June through September.**

The dates are below, along with some just-for-you offers and discounts to say thanks for reading this blog.

See a date you want but at a venue you've never heard of? Click through the slide show above for glimpses at (nearly) all of the locales on our list.

Things to keep in mind:

1. All of these dates are available now, at “press time.” **We won’t be updating this list** so if you see your must-have Saturday, call and book ASAP (and be prepared that the person who read this just before you may have done the same). Double- and triple-check with venues to get your desired date.
2. Who says you have to get married on a Saturday anyway? Many of these venues will have Fridays, Sundays, and maybe even Tuesday afternoons (anyone?) available too—**often for deeper discounts**. Don’t see your venue on this list? Chances are it’s booked. We did a pretty thorough scouring.
3. We asked venues for days with Saturday openings, but not time of day (afternoon or evening, etc.). Again, check for specifics about what time slots are open.
4. You’ll see lots of amazing, exclusive special offers. These offers **only relate to the dates that are specified**.
5. Thank us by [submitting your Real Wedding to Seattle Met Bride and Groom](#) after the big day. Congratulations!
