The eighth annual Kitsap Wine Festival at Harborside Fountain Park returns with a celebration of food, wine and community Saturday, Aug. 13, from 2 to 5:30 p.m. Guests will enjoy live music, bites from local restaurants and tastings from Washington wineries and breweries, set against the breathtaking views of Puget Sound and the Port of Bremerton Marina.

While sipping wine or ale, guests will also enjoy food

from participating restaurants and local purveyors such as Amy's Decadent Chocolates, Anthony's at Sinclair Inlet, Bella Bella Cupcakes, Toro Lounge and others. They will also receive a complimentary Kitsap Wine Festival commemorative wine glass and access to an onsite retail shop to purchase select wines.

Entertainers confirmed so far are Malo Castro and The Tonze.
